FORM 990, PART VI, LINE 5		In 2010 the Center for Life Solutions became aware of a significant diversion of the organization's assets. A total of \$68,684 in assets were diverted over the past four years for personal use by one of our administrators through the use of fake vendor accounts and payroll manipulation. The appropriate authorities were notified, our insurance carrier was notified, and the person involved has subsequently been questioned by the police, and criminal prosecution is believed to be imminent. With the help of our new outside accountants, we have developed internal controls which we believe will eliminate the likelihood of such diversions occurring in the future.
